Delivery structure

Three days, 24 hours total: 22 guided training hours and 2 assessment hours. Each day includes breaks managed outside the teaching-hour allocations. Trainer adjusts pace to learner evidence while preserving outcome and assessment coverage.

Day 1 · LO1

15:30–18:30	Office outputs, Teams actions and

adoption planning

12:30–13:30 lunch is outside the eight contact hours. Short comfort pauses are managed within supervised reflection and feedback blocks. Retain learner artifacts and test results for each mapped lab.
